

❄️ It's Wreath Time ❄️ *and candy !!*

Mission's annual wreath sale is back! These gorgeous fresh wreaths from Oregon last the whole holiday season (and beyond). And new this year, we have added a **See's Candies option** for those who are interested!

These two fundraisers are different from all other fundraisers at Mission, in that the **proceeds go directly to individual students to help offset their personal field trip expenses**. Mission's many overnight field trips can be quite expensive, and this gives students the opportunity to offset those fees. Funds raised will stay with your child if not used in the current school year. (So for you parents of younger kids, start now and save up for future field trips!)

Students at all grade levels are encouraged to sell wreaths to family and friends who are local to the Sacramento area! **Wreaths will NOT be shipped**. They will be delivered to the school for pick-up some time during the first week of December. Students/parents will be required to pick up and distribute all orders placed by their friends/family. The deadline to submit wreath orders is November 22. Friends and family can order online at missionpta.org/wreaths. Remind them to include your student's name at checkout so you get appropriate credit. You can also use the paper order form attached to this flyer. **(Color flyers with pictures of all of the wreath styles are available in the office, should you want one.)**

See's Candies can be sold to friends and family nationwide, and will be shipped direct. If you would like to participate in the candy fundraiser, please fill out the form at missionpta.org/candy and you will be sent an invitation to set up an account! See's Candies orders can be placed through December 6.

You can also choose to fundraise for Mission's general field trip scholarship fund, so teachers, alumni and other supporters are welcome to sign up, too!!

Students will earn up to 50% of the proceeds from all sales. Profits vary by product.

Mission Avenue Wreath Fundraiser

This is Mission's only fundraiser where a percentage of the funds raised go directly towards your child's field trip fees. **Students will earn ~30% of their total sales** towards their field trip fees (exact amount varies by product). Mission's many overnight field trips can be quite expensive, and this gives students the opportunity to offset those fees.

Students at all grade levels are encouraged to sell wreaths to family and friends. Even if your child doesn't have an overnight field trip this year, the funds raised will **rollover from year to year** with your child. So start saving now for future field trips! Have multiple kids at Mission? Make sure to include all names on the order form if you would like the money raised divided between them. Funds raised will be available to put towards your child's field trip fees by mid-December.

The deadline to submit orders is **11/22 for paper order forms**, but online orders can be submitted through noon on Sunday, 11/24. Wreaths WILL NOT BE SHIPPED. They will be delivered to school for pick-up some time during the first week of December. Students/parents will be required to pick up and distribute all orders placed by their friends/family.

The online order form can be found at www.missionpta.org/wreaths.
